

LINEN CRASHES

Over 1700 Yards Are Involved in One of the Greatest Sales of Toweling We Ever Conducted

A Linen Toweling sale is always of interest to the manager of every home, and especially so when it includes such high-grade Crashes as in this assortment. These came to this country over eleven months ago, when linen was at least twenty per cent lower than at present. That we are enabled to offer you such a line as this and such a genuine saving in every instance we consider a big opportunity. Without a doubt another such a chance will not come to you in many months. See them at the Domestic counter, where they are displayed.

It is not only the big things but also the little ones that count, no matter how well you are dressed. For this reason we are always very cautious in our

DEPARTMENT OF MEN'S FURNISHINGS.

Regardless of the fact that this department reaches smaller sales than any other branch of our business, we treat it with equal respect to any other department in the store.
